

STONE CARE

EASY OXY

MULTI-SURFACE CLEANER

SAFELY USE ON

STONE, STAINLESS STEEL
FABRIC & MORE

OXYGENATED CLEANER
Removes Stubborn
Dirt & Stains

EASY
CLEANING

EASY OXY is an oxygenated, non-abrasive cleaner that is safe to use on stainless steel, stone, other hard surfaces, and fabrics as well. Works great as a degreaser and has a fresh, clean scent too! Easy Oxy is biodegradable, non-bleach and non-toxic.

REMOVES SOILS SUCH AS

Grease, Ink, Crayon, Lipstick, Coffee, Soda, Tea, Kool-Aid, Blood, Pet Stains, Juice, Grass Stains, Red Wine and more.

USE ON MANY SURFACES

Metal, Sinks, Tile, Furniture, Walls, Floors, Grout, Plastic, Countertops and Stainless Steel.

DIRECTIONS

Spray directly onto the surface and wipe off. Can also be sprayed onto a cloth or paper towel, then wiped over the surface. For heavily soiled areas, allow cleaner to dwell for a couple of minutes, without drying, before wiping away. It's just that easy! For fabric cleaning, do a test in an inconspicuous area first.

SPECIFICATIONS:

Appearance.....	Clear Liquid
Odor.....	Orange Odor
Specific Gravity.....	1.007
pH.....	7.0
Boiling Point.....	Near 212°F
Flash Point.....	200°F
Water Solubility in Water.....	Complete
