

STONE **PROFESSIONAL**

## CALIBER POLISHING POWDER

FORMULATED FOR

ALL CALCITE-BASED  
STONE & TERRAZZO

**WET TO DRY POLISH**

Saves Time  
Reduces Clean-up

**MB-12**

FOR PROFESSIONAL USE ONLY

**POLISH TO  
A DEEP GLOSS**

- Polishes to a deep gloss
- Works on all Marbles, Travertine, Serpentine (green marble), Onyx, Limestone, Alabaster, Opicalcite, Terrazzo and more!
- removing coatings or sealers from Granite

MB-12 is an amazing performer that polishes to a deep gloss—often higher than from the factory—all Marbles, Travertine, Serpentine (green marble), Onyx, Limestone, Alabaster, Opicalcite, Terrazzo and more! Also works great for cleaning and removing coatings or sealers from Granite!
